

Cognitive Neurologist

LSU Health in Shreveport, Louisiana seeks a Board-Certified/Board-Eligible (BC/BE) Cognitive Specialist to join our outstanding Academic Neurology department and dynamic team. Leadership opportunities available to qualified candidates. We invite applications for the following position:

- **Position:** Full-time Academic faculty
- **Academic Rank:** Determined based on level of experience and qualifications
- **Description:** Open to BC/BE Neurologists with a commitment to both patient care and academic growth. The successful candidate will be a dynamic Cognitive/Dementia Specialist. Leadership opportunities available depending on qualifications.

Key Responsibilities:

- Delivering high-quality clinical care to patients with neurological conditions.
- Medical student and Neurology resident education, including supervision in clinics, grand rounds, and didactic conferences.
- Participation in departmental activities and contributing to the growth of the Dementia program.
- Mentoring and providing clinical expertise to faculty and residents.
- Large patient volume potential and leadership potential. Louisiana has the 5th highest Alzheimer's mortality rate in the US and North Louisiana has a particularly large burden of disease. Potential to be the expert in the field in this region.

Resources & Facilities:

- Dedicated Infusion Center
- Multi-disciplinary Care
- Academic Medical department with the largest concentration of Subspecialty Neurologists in the Ark-La-Tex region.
- School of Medicine Faculty and collaborations with the Graduate School and Allied Health

Compensation and Benefits:

- Competitive salary package, including a guaranteed base salary.
- Supplemental pay based on productivity and potential grant funding.
- Opportunities for academic and professional development.
- J-1 visa sponsorship is available.

About Us:

Ochsner LSU Health Shreveport, in conjunction with Ochsner LSU Health St. Mary, is the only major academic medical center in the area and receives patients from a catchment area with a radius of approximately 75-100 miles which includes a population of approximately 1½ million people. Shreveport is an attractive, comfortable, small southern city with excellent schools, good restaurants, and multicultural opportunities. It is an excellent place to raise children.

LSU Health is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.

Letters of interest and CV should be directed to:

Chen Lin, MD, MBA
