

**DEPARTMENT OF NEUROLOGY
VASCULAR NEUROLOGIST
OPEN RANK**

The Department of Neurology of the Joe R. and Teresa Lozano Long School of Medicine at UT Health San Antonio is seeking an outstanding clinical/academic neurologist who is a specialist in vascular neurology. The successful candidate will provide clinical service, conduct clinically focused research in stroke/vascular neurology, and participate in the teaching of medical students, residents, and fellows. Minimum requirements are an MD/DO degree, completion of ACGME-accredited neurology residency training, and completion of a one-year vascular neurology fellowship. Candidates should be board-eligible or certified in Neurology. This position is anticipated at the Assistant Professor rank but candidates with exceptional qualifications may be considered for appointment at the rank of Associate Professor or Professor.

Established in 1968, UT Health San Antonio serves San Antonio and the 50,000 square-mile area of South Texas. The University, one of the country's leading health sciences universities, ranks in the top 3 percent of all institutions worldwide receiving National Institutes of Health (NIH) funding. The University's schools of medicine, nursing, dentistry, health professions and graduate biomedical sciences have produced approximately 26,000 graduates.

For full consideration, please visit the UT Health Careers faculty applicant portal at: <http://uthscsa.edu/hr/employment.asp> to apply for position 25000028 and upload 1) a cover letter stating career goals and the relevance of the candidate's training and experience to the position, 2) a current CV, and 3) names and contract information for three references.

UT Health San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities. All faculty appointments are designated as security sensitive positions.
